

MUHAMMAD JAHANGIR ALAM

Full Stack Developer | .NET & PHP / Laravel

jhangirjazz590@gmail.com • Malir, Karachi • +92 331 2242564 • github.com/Jhangirjazz

PROFESSIONAL SUMMARY

Full Stack Developer specializing in Laravel, PHP, ASP.NET Core, C#, and Node.js, with hands-on experience building enterprise web applications, ERP/HRM systems, custom WordPress & Shopify plugins, and REST API integrations. Experienced in Dolibarr ERP customizations, payment gateway and SMS API integrations, and database migrations using Prisma and Laravel Eloquent ORMs. Strong background in Oracle PL/SQL, MySQL, responsive frontend development, workflow automation, and custom reporting. Focused on delivering scalable, secure, and maintainable backend services and clean user experiences.

TECHNICAL SKILLS

Backend: Laravel, PHP, ASP.NET, ASP.NET Core, C#, Node.js

Frontend: TypeScript, JavaScript, HTML5, CSS3, Bootstrap

Databases & ORMs: Oracle PL/SQL, Oracle Database, MySQL, Prisma ORM, Eloquent ORM

Platforms & CMS: Dolibarr ERP, Custom WordPress Plugins, Custom Shopify Plugins

APIs & Integrations: REST APIs, Payment Gateway Integration (Stripe, Local Gateways), SMS API Integration (Twilio, Local SMS Services)

Tools & Version Control: Git, GitHub, Database Migrations

PROFESSIONAL EXPERIENCE

Full Stack Developer | Realcore Solutions

Feb 2025 – Present

- Developed and maintained enterprise web applications using **Laravel, ASP.NET Core, C#, Node.js, Oracle PL/SQL, and MySQL**.
- Customized and extended **Dolibarr ERP** core modules to adapt business workflows, streamline inventory management, and generate tailored financial reports.
- Designed and implemented REST API integrations with third-party services, including payment gateways (**Stripe, local gateways**) and SMS APIs (**Twilio, local SMS services**) for automated billing and notifications.
- Developed custom **WordPress and Shopify plugins** to support bespoke e-commerce workflows, custom checkout solutions, and real-time inventory syncing.
- Utilized **Prisma ORM and Laravel Eloquent** for efficient database schema migrations, complex data relationships, and query performance optimization.
- Optimized **Oracle PL/SQL** procedures, functions, and queries to improve system performance and reliability.
- Built responsive frontend interfaces using **TypeScript, JavaScript, HTML5, CSS3, and Bootstrap**.
- Implemented secure file upload and document management features, and integrated Google reCAPTCHA for spam prevention and security.
- Developed custom reporting dashboards and workflow automation solutions to support business operations.
- Collaborated with cross-functional teams to analyze requirements and resolve production issues.

PROJECTS

Dolibarr ERP & Custom Solutions

Laravel, Dolibarr ERP, Oracle PL/SQL, MySQL

- Customized ERP modules and workflows to support business-specific operations, inventory management, and reporting requirements.
- Developed database-driven features and REST APIs using Laravel, Dolibarr hooks, and Oracle PL/SQL.

E-Commerce Plugin & Integration Suite

Shopify, WordPress, PHP, Node.js, Prisma ORM, REST APIs

- Built custom WordPress and Shopify plugins to fulfill custom checkout requirements and automate third-party data synchronization.
- Integrated payment gateways and SMS APIs to enable automated order confirmation, payment processing, and customer alerts.

Third-Party API & ORM Migration Solutions

Laravel, Prisma ORM, REST APIs, TypeScript, MySQL

- Integrated external payment and SMS APIs to extend application functionality and automate business processes.
- Managed database migrations and data modeling across multi-environment databases using Prisma and Eloquent ORMs.

EDUCATION

Bachelor of Science in Computer Science (BSCS)

2024 – Present

SIMT - Sindh Institute of Management & Technology

Advanced Diploma in Software Engineering (ADSE)

2021 – 2024

Aptech Computer Education
